

Foyer Rheinhalle

The diagram shows a floor plan of the Foyer Rheinhalle. The main area is an irregular polygon with a thick black border. To the right, a horizontal line extends from the main area. Below the main area, a vertical line descends, then a horizontal line extends to the right, and finally a horizontal line extends to the right again. A red arrow points from the left towards the bottom horizontal line. Four green circles of varying sizes are placed along the left and bottom edges of the main area.
